### HORIZON & DAVID HOBBS HONDA PARTNER FOR MEALS ON WHEELS

#### *For the People, Delivering Meals on Wheels*

**(Alexian Village Pavilion, 9225 N. 76<sup>th</sup> Street, Milwaukee, WI, Monday, June 11, 9:00am-11:00am)** During Honda's National Week of Service, your "dealer for the people," [David Hobbs Honda](#), will begin their sponsorship of Horizon's Meals on Wheels Program. They have committed to a financial contribution to support the program in addition to providing volunteer drivers. On Monday, June 11, they begin their regular schedule of delivering a "Meals on Wheels" route every Monday. David Hobbs Honda staff will also be canvassing the greater Milwaukee area this week, distributing flyers to senior living facilities with information about Meals on Wheels and their offer to purchase each new Meals on Wheels patient's first meal!

#### **ABOUT HORIZON:**

Horizon is a Private Not-for-Profit formed in 1990 by four hospitals in the Milwaukee area: Columbia, Froedtert Lutheran Memorial, Community Memorial, and St. Mary's hospitals. Created as a joint venture, the hospitals merged their home care, hospice, private duty, meals-on-wheels, and non-medical care activities into one organization. The newly formed organization was called Horizon Home Care & Staffing, Inc., located on Florist Avenue in Milwaukee. Two years later it applied for and was granted not-for-profit status and became Horizon Home Care & Hospice. Horizon is accredited by The Joint Commission; an honor that it retains to this day and is considered the premier provider of in-home services in the region.

At Horizon, our team of 200 volunteers are happy, productive, and making a real difference. We have more than a dozen ways to assist Horizon and our patients.

#### **ABOUT MEALS ON WHEELS:**

Horizon's Meals on Wheels program delivers fresh, wholesome meals to the homes of individuals who are unable to provide for themselves five days per week (Monday through Friday). Meals are prepared by Davian's Catering under the direction of a clinical dietician. No one is left behind, as we don't have

age requirements for Meals on Wheels! A hot meal is delivered for lunch and a cold meal can be delivered at the same time to provide a second daily meal. Weekend meals are available and will be delivered on Friday. Meal deliveries are made by Horizon Volunteers and typically occur between 9:00 a.m. and 1:00 p.m. Horizon is a member of Meals on Wheels America. Over 1,000 meals/month are delivered through our program.
