Honda Recognizes Sales Consultant Thomas Dulaney Jr., From David Hobbs Honda, With Platinum-Level Honors

Glendale, WI, April 12th, 2021 – Thomas Dulaney Jr., of David Hobbs Honda, located at 6100 N Green Bay Ave., Glendale WI, has earned elite recognition from American Honda Motor Co., Inc., for achieving Platinum membership in the 2020 Council of Sales Leadership. To qualify for this elevated status, Dulaney provided exceptional sales solutions and service to his customers.

Honda's prestigious Council of Sales Leadership program promotes professional excellence – in sales, customer satisfaction, and training – among the almost 14,500 sales consultants in its national dealer network. The Platinum-level recognition is a coveted distinction reserved for Honda sales consultants whose sales performance is truly exceptional. Dulaney was one of only 130 to earn Platinum membership across the Nation.

“It's not just the sheer volume of customers that you help,” said Director of Operations, Darrin Roth, “but it's the manner in which you do it. You always represent the utmost, knowledgeable professional with your clients, regardless of their stature or means. They are always treated well. To achieve Platinum-Level status is a testament to your commitment in always serving your clientele in an exceptional manner. To do it for the second consecutive year is truly phenomenal.”

Dulaney has achieved membership at various levels in the Honda Council of Sales Leadership for the 6th time, and this is the second consecutive year where he has achieved Platinum-Level attainment. He has served Honda customers since 2014 at David Hobbs Honda.
